

# E-Mail Proof Version:511766\_VIRI\_CA

Carefully review this proof to ensure art is correct and colors are printing as required.

To completely verify art and color, a production proof is recommended.

Once this proof is approved, order cannot be rejected without a production proof.

Unless viewed on a high-end color calibrated monitor, actual product color will differ from what you see on your screen.

Art is printed as submitted using CMYK inks.
