

Requests to the Rendezvous Dining Hall

Dept. of Physics is holding an international science conference for 7/23-26 at MSU. Our guests will visit the dining hall with lunch tickets shown below. Please collect the tickets from them.

We have a few requests:

- Please accept the tickets on Saturday (7/27), either.
- Please accept the tickets at Dinner time, either (7/22-27).
- Please store the collected tickets for Lunch and Dinner separately. We will pay different price (\$/ticket) after the conference. We don't care the Day of collection.

Aki Takeda,
